March 1, 2010

Would you believe that March 14th is the first day of daylight savings time. Hopefully March 20 will be the first day of Spring.

We certainly apologize for any inconvenience last Thur. We canceled classes due to the "impending doom" that was forecasted to begin at 4P.M. Fortunately none of it happened. Go figure. Please be reminded that when the weather is bad and other agencies are canceled, you can get the info for the studio on our web, www.joannereagandance or call me personally at 609-861-5991. Also be advised that we will use the same make-up schedule for Thur. as we did. These will be done next Thur., March 11.

This week are the make-ups for Miss Jen's ballet and pointe and Miss Joanne R's classes. We remind everyone that the week of March 15, 2010 is Watch Week for Miss Anne and Miss Jen's classes. The week of March 22, 2010 is Watch Week for Miss Joanne M. and Miss Joanne R.'s classes and Mini Company. Information for the new program book for our 2010 Dance Musical "Now and Then" will be distributed then as well.

We are now into count down for our Disney performance of April 24, 2010. All of these performers are reminded that we have rehearsal this Sat. All dancers in Gypsy (Baby June and Her News "Girls") are due at the studio for rehearsal at 10A.M., Apprentice, Mini and some Difference. All other performers are due at 11A.M. Rehearsal is until 2P.M. Bring lunch and wear uniforms.

All Disney performers are reminded that you will need two pair of Suntan Hold and Stretch Tights. They will be available here at the studio. You are also reminded that you must have clean and like new suntan jazz shoes. New earrings and chokers have been ordered. We will be using the new red costumes for all numbers except "Brave". Brave will use the white and silver costumes of Jr. Soph. from last years opening. If you have any questions, please ask Miss Faith.

New garment bags will be arriving the middle of this month. They are \$20.00. If you have your name embroidered it is an additional \$3.00 per line. (Disney performers are reminded that you must carry your costumes in a garment bag. NO plastic bags.) New jackets will be available to. They are done by order.

Student of the week goes to Cheyenne Newby. Cheyenne is 5 years old. She has shown great progress in her classic combo class. She has a great attitude and knows her work.

Company member of the week goes to Gabriella Niemann. Gabi is 12 years old and is in the 7th grade at the RMT School. She is a member of the Jr. Sophisticated Company. Gabi has shown excellent work in all of her company choreography. She has an excellent attitude. She works equally as hard and responsibly in her classes of ballet, gymnastics and jazz. Keep up the great work, Gabi!!

Dance is really fun when you know your choreography. Memorizing your choreography requires practice. Practice requires independent thinking. You use your brain. Your brain is your computer. Your hard drive must be repeated time after time. This equals repetition on your part. Having the music helps as well. Bring in a blank CD and give it to your teacher for the pieces you need.

Have a Great Week!!

Love,
Miss Joanne
